OUR CENTRE

We are based in the community to provide help and support to individuals and families in need. We are staffed by social service professionals who work closely with these individuals and families to help them to better cope with their personal, social and emotional challenges in their lives.

The services provided by our FSC include casework and counselling, information and referral, groupwork and community work for children, youth, adults and the elderly.

We commenced operation in December 1996 and officially opened in March 1998. Our Centre is established by Singapore Chee Hoon Kog Moral Promotion Society.

RESERVES POLICY

Restricted fund will be used to benefit the programmes funded by Ministry of Social and Family Development (MSF) and Tote Board Social Service Fund (TBSSF). SMFSC's Reserve Policy is to have 2 to 4 years of the Centre's projected operational expenses and the reserved amount will be reviewed annually by the Management Committee.

CONFLICT OF INTEREST POLICY

All Management Committee members and staff employed by Serangoon Moral Family Service Centre were given a copy of the Conflict of Interest Policy and they had acknowledged the receipt upon reading of the policy.

They are obliged to make full disclosure to the Chairman of Management Committee when a conflict of interest situation arises.

INFORMATION & REFERRAL (I&R)

We link families to more appropriate help agencies and resources in the community.

For the year of 2018 (Jan – Dec 18), we processed 725 I&R enquiries. The referrals were from MSF, Police, Family Courts, SSOs, Other FSCs or VWOs, schools, hospitals, phone-in and walk-in cases.

SCHOOL POCKET MONEY FUND (SPMF)

School Pocket Money Fund is a community project, initiated by The Straits Times in October 2000, helping children from low-income families with school pocket money to pay for their basic daily school-related expenses.

The amount disbursed for Primary School student is \$60, Secondary Student is \$95 and post-secondary is \$120. Full-time mainstream students receiving formal education (20 years of age or younger at the point of application) up to completion of post-secondary school education are eligible for SPMF.

There were 50 beneficiaries for the year with 17 primary school children, 16 secondary school students and 17 post-secondary students. A total of \$25,405/- was disbursed by our FSC in year 2018.

GROUP WORK

Support Group

Support group allows clients facing similar issues in their lives to come together to share coping strategies, to feel more empowered and to find a sense of community. It is a platform where clients can share and exchange their experiences and gain support from one another.

Now in its 5th year, the agency has conducted support groups both internally and in collaboration with outside organisations such as Al-Istiqamah Mosque, St Gabriel's Primary School and Rosyth Primary School. Parents and students benefitted emotionally and acquired new knowledge and skills through mutual support.

A support group for parents with secondary school-going teenagers was conducted in 2018. This support group aimed to provide a platform for parents to share and exchange experiences in parenting their teenagers. The 6-session programme covered topics such as helping teenagers deal with boundaries, social media addiction, and boy-girl relationships.

COMMUNITY WORK (Kampong Friends)

In our Community Work, we utilise the community setting as a medium to work with individuals and/ or families. Community Work is a conscious and planned effort to focus on aspects which promote individual's well-being and encourage the interaction of individuals, groups and organisation towards a joint-effort to achieve specific objectives.

Objectives of our Community Work

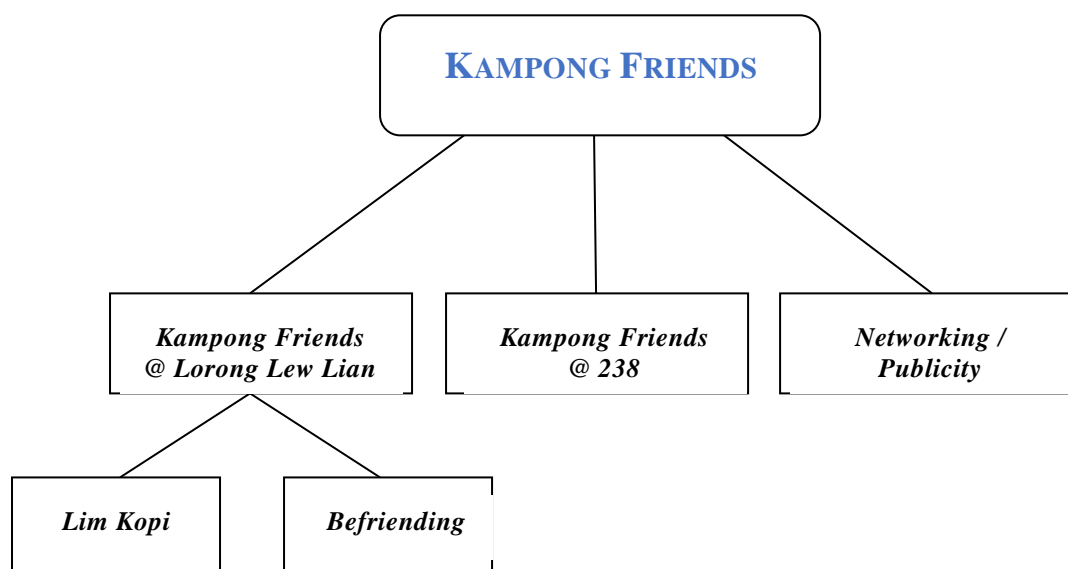

- To enhance individual and family social network support connection.
- To build capacity in local communities to respond to the needs of individuals and families.

With effect from August 2018, the Community Work team was rebranded as **Kampong Friends** to be in line with our vision of **working with the Community for the Community**. **Kampong Friends** reflect the community bonding among the residents that we aim to establish.

Kampong Friends is guided by the **Asset Based Community Development (ABCD)** approach. We hope to build on the *assets* that are found in the *community* and mobilises individuals, associations, and institutions to come together to realise and develop their strengths.

As such, Kampong Friends aims to work with the community to help the community to outreach and advocate for their own community. The team will:

- a) Conduct weekly outreaches to elderly residing at Lorong Lew Lian through our Lim Kopi programme.
- b) Collaborate with community partners for community outreach projects.
- c) Empower residents to volunteer and contribute to the community.

Kampong Friends @ Lorong Lew Lian

Lim Kopi & Befriending

The elderly would gather weekly to socialise and play games together at Lim Kopi. For the elderly who are living alone and are unable to come down for Lim Kopi sessions, we will outreach to them to understand their needs and link them to community resources if necessary.

Overview of Lim Kopi:

- ✓ Ran a total of 48 weekly sessions in 2018.
- ✓ Average of 63 participants weekly.
- ✓ 44 regular members (75% attendance).

Overview of Befriending Programme:

- ✓ There was originally 5 elderly to 6 volunteers. In 2018, 3 elderly have passed on and 1 elderly was referred out.
- ✓ Currently there is 1 elderly to 2 volunteers.
- ✓ No expansion of the programme beyond current pool of elderly and volunteers as there are now other agencies offering similar services.

Kampong Friends @ 238

With effect from January 2018, Kampong Friends @238 was started at SMFSC as an initiative to engage our residents as part of our community outreach efforts.

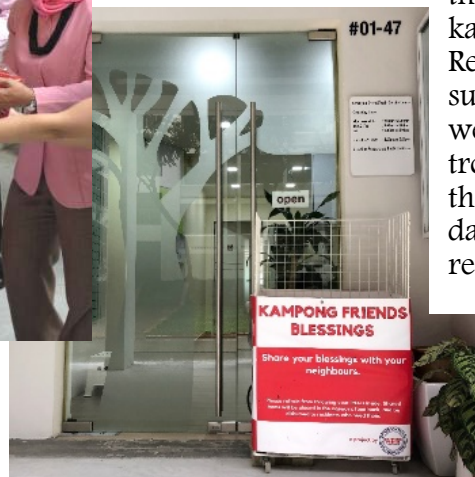

Swap and Shop

We organised the Swap and Shop event on 1 September 2018. This event invited residents to bring a minimum of 1 food donation to swap for a pair of new or second-hand sports shoes. During this event we had conversations with our residents to find out about their interests and how they would like to contribute to our Serangoon community. Their views are pasted on the 'Share and Give' board which is placed at our Centre's notice board.

Community Walk

A total of 43 community walks were conducted since January 2018 to get to know our residents better. Its purpose is to identify community residents who are keen to work with our Centre to develop our community outreach initiatives.

Kampong Friends' Blessings

President Halimah Yacob launched our new programme, Kampong Friends' Blessings on 25 January 2018. This initiative is started with the intention to encourage kampong spirit among residents. Residents can donate food items such as rice and canned food, as well as toiletries in the community trolley placed at the entrance of the centre. The items are collected daily and disbursed to the residents who need them.

Networking/ Publicity

Our Centre also aims to work with organisations to help our clients and the community. Kampong Friends worked on the 2 agendas of networking and harnessing community resources. In 2018, the team aimed:

(i) To increase public awareness of the Centre's programmes and services

We continued to create and distributed newsletters to the residents staying in HDB flats as well as private properties within our service boundary. The second issue of the newsletters named #forpositivechange highlights our 3 core services which are casework, group work and community work through stories.

(ii) To harness community resources

VOLUNTEER DEVELOPMENT

Volunteers contributed their service to the Centre through the following activities:

- Ad-hoc food ration packing
- Volunteering at Lim Kopi

Ad-hoc food ration packing

In 2018, the Centre started recruiting volunteers to help up with the tidying of the food rations store. Volunteers would come down during their free time to pack the store and to check for any expired goods.

Volunteering at Lim Kopi

The Centre initiated a Volunteer Leaders programme (VLs) for volunteers who have expressed interests to contribute to their community at Lorong Lew Lian. 5 VLs were identified through their commitment as volunteers during Lim Kopi. They were given opportunities to plan activities for Lim Kopi during the special events such as National Day. Other volunteers assisted in the running of Lim Kopi, such as setting up of the venue and facilitating activities such as Qigong.

Collaboration with St Gabriel Secondary School for Lim Kopi is continued. A group of 4-5 boys would head down to the venue to facilitate Bingo and interact with the elderly participants. The school was keen to collaborate further in other areas such as house cleaning or doing grocery shopping for the elderly. Staff from Volunteer Development have been in talks with the school for future collaborations.

A volunteer appreciation lunch for all volunteers in Lim Kopi took place on 26 October 2018 to gather feedback and develop new ideas to improve the running of Lim Kopi. Volunteers appreciated the opportunity to discuss ideas and looked forward to implementing ideas that they had raised. This increased their sense of belongingness to the community and Lim Kopi.
